Here I am sharing the links to two playlists with you. The first is for understanding the basics of computer architecture, and the second link is for advanced-level concepts.

**For clearing Computer Architecture Basics: (Task I)**

You can take one week to clear your basics.

**For advanced-level concepts: (Task II)**

Please watch lectures 1,3,4,7,8,9,10,11,12,13,14, and 15 from this playlist. You can take one week to complete watching these lectures.
